

Smart Parking for Smart Growth: Reforming Parking Policies for TOD

The California state legislature recently proposed “smart” parking policy for transit-rich areas (AB904, Skinner).

Join this workshop and discussion with local planners and policy makers to share your views.

Workshop comments and recommendations will be forwarded to state legislators and the APA California Chapter Policy and Legislation Committee.

November 9, 2012
2pm - 4:30pm

MetroCenter Auditorium
101 Eighth Street
Oakland 94607
